the title is just the first of many startling asides observations and insights that fill this guide to hollywood on the lacanian psychoanalyst s couch zizek introduces the ideas of jacques lacan through the medium of american film taking his examples from over 100 years of cinema from charlie chaplin to the matrix and referencing along the way such figures as lenin and hegel michel foucault and jesus christ enjoy your symptom is a thrilling guide to cinema and psychoanalysis from a thinker who is perhaps the last standing giant of cultural theory in the twenty first century

in enjoy your symptom slavoj zizek argues for the accessibility and ultimate simplicity of lacanian theory by linking it with popular hollywood film enjoy your symptom is divided into

five chapters each elucidating some fundamental lacanian notion or theoretical complex letter fantasy woman repetition phallus father through a reference to hollywood and the popular culture which forms the background of our common experience each chapter is then divided into two parts in the first part lacan is in hollywood ie the notion or complex in question is explained by way of examples from hollywood or popular culture in general in the second division we are out of hollywood ie the same notion is elaborated as it is in its inherent context

the essays collected in *re inventing the symptom* explore the final period of jacques lacan s teaching focusing on his 1975 76 seminar *le sinthome* this book sheds light on the central questions of this last phase of lacanian theory and unravels the principal enigmas of the seminars the work as a whole breaks through previous obstacles to the act of reading lacan s last work among them the notorious restrictions placed upon the publication and translation of lacan s teachings the contributors examine lacan s late work from a variety of perspectives they consider his theories on boromean knot topology and rethink readings of his views on sexual difference his encounter with joyce and even his consideration that his work was not theory at all but rather a kind of writing these lucid essays offer a dazzling reading of works previously considered elusive students and practitioners of psychoanalysis alike will benefit from this revolutionary collection the contributors mark the territory for a more widespread deployment of lacanian theory in our cultural landscape from modernism to deconstruction and feminism at last those who seek to approach lacanian thought and apply its relevance to their own fields have a radical new tool made readily available to them

the second volume in the *studying lacan s seminars* series this book is the first comprehensive study of lacan s seminar vi *desire and its interpretation* a natural companion to bruce fink s recent translation of the seminar into english 2019 this book offers a genuine opportunity to delve deeply into the seminar and a hospitable introduction to lacan s teachings of the 1950s this important book brings together various aspects of cox cameron s teachings and systematic careful and critical readings of seminar vi lacan s theorizing and conceptualizing of the object a the fundamental fantasy and aphanisis as well as the ambiguous treatment of the phallus in his work at the time are all introduced contextualized and explored in detail the trajectories of his thinking are traced in terms of future developments and elaborations in the seminars that follow closely on the heels of seminar vi seminars vii *ethics of psychoanalysis* viii *transference* ix *identification* and x *anxiety* consideration is also given to how certain themes and motifs are recapitulated or reworked in his later teachings such as in seminars xx *encore* and xxiii *le sinthome* also included in this volume are two further essays by cox

cameron a most valuable critique of the concept of the phallus in lacan's theories of the 1950s and an overview of seminar vi originally presented as a keynote address to the apw congress in toronto 2014 the book is of great interest to lacanian scholars and students as well as psychoanalytic therapists and analysts interested in lacan's teachings of the 1950s and in how important concepts developed during this period are treated in his later work

when posthumanism displaces the traditional human subject what does psychoanalysis add to contemporary conversations about subject-object relations systems perspectives and values this book discusses whether posthumanism itself is a cultural indication of a shift in thinking that is moving from language to matter from a politics focused on social relations to one organized according to a broader sense of object in environments together the authors question what is at stake in this shift and what psychoanalysis can say about it promoting psychoanalysis focus on the cybernetic relationships among subjects language social organizations desire drive and other human motivations this book demonstrates the continued relevance of lacan's work not only to continued understandings of the human subject but to the broader cultural impasses we now face why posthumanism why now in what ways is posthumanist thought linked to the emergence of digital technologies exploring posthumanism from the insights of lacan's psychoanalysis chapters expose and elucidate not only the conditions within which posthumanist thought arises but also reveal symptoms of its flaws the blindness to anthropomorphization projection and unrecognized shifts in scale and perspective

as well as its mode of transcendental thought that enables many posthumanist declarations this book explains how lacanian notions of the subject inform current discussions about human complicity with and resistance to algorithmic governing regimes which themselves more wholly produce a post humanism than any philosophical displacement of human centrality could

mental health symptoms in literature since modernism looks at various ways of treating symptoms of psychological disorders in the literature of the long twentieth century this book shows that literature can in its questioning of commonly accepted views of this lived experience of psychic symptoms help engender new theories about the functioning of subjective cases modernism emerged at about the same time as freudian psychoanalysis did and the aim of this book is to also show that to a certain extent woolf preceded freud in her exploration of the symptom and contributed to fashioning another approach that is now more common especially in writers from the 1990s onwards

a comprehensive overview of slavoj zizek s thought including all of his published works to date provides a solid basis in the work of an engaging thinker and teacher whose ideas will continue to inform philosophical psychological political and cultural discourses well into the future identifies the major currents in zizek s thought discussing all of his works and providing a background in continental philosophy and psychoanalytic theory necessary to its understanding explores zizek s growing popularity through his engagement in current events politics and cultural studies pertains to a variety of fields including contemporary philosophy psychology cultural studies sociology political science aesthetics literary theory film theory and theology

recent decades have been decisive for russia not only politically but culturally as well the end of the cold war has enabled russia to take part in the global rise and crystallization of postmodernism this volume investigates the manifestations of this crucial trend in russian fiction poetry art and spirituality demonstrating how russian postmodernism is its own unique entity it offers a point of departure and valuable guide to an area of contemporary literary cultural studies insufficiently represented in english language scholarship this second edition includes additional essays on the topic and a new introduction examining the most recent developments

in liberating oedipus psychoanalysis as critical theory dr filip kovacevic demonstrates how psychoanalytic theory can join political theory in designing alternative political norms and

values kovacevic proves that political practice without an emancipatory psychology to guide it is potentially dangerous

hindsight and the real subjectivity in gay hispanic autobiography studies the representations of self and the discursive constitution of identity in the autobiographical works by several mostly gay identified authors in modern spanish catalan and latin american literature these include among others reinaldo arenas *s antes que anochezca* 1992 juan goytisolo *s coto vedado* 1985 and *en los reinos de taifa* 1986 jaime gil de biedma *s retrato del artista en* 1956 1994 and salvador dalí *s un diari* 1919 1920 1994 the book contains a series of case studies linked to a recurring central argument drawing on a wide range of contemporary critics and philosophers including among others slavoj zizek ernesto laclau homi bhabha and emmanuel lévinas it proposes a notion of identity and homo sexuality which is neither essentialist nor merely positional discursive thus while attempting to show in post structuralist fashion that gay spanish and latin american self representations are retroactive constructs invariably inflected by political and discursive factors such as nationality race and class the book also stresses the role of the real the kernel of pre discursive substance which according to lacan and his followers both precedes and exceeds the symbolic order

lacan and marx the invention of the symptom provides an incisive commentary on lacan s reading of marx mapping the relations between these two vastly influential thinkers unlike previous books bruno provides a detailed history of lacan s reading of marx and surveys his references to marx in both his writings and seminars examining lacan s key argument that marx invented the symptom bruno shows how lacan went on to criticize marx and contrasts marx s concept of surplus value with lacan s surplus enjoyment exploring the division between marxist and psychoanalytic perspectives on social and psychological need and lacan s formalisation of the capitalist discourse the book compares the positions of althusser deleuze and guattari and Žižek on the relations between lacan marx and capitalism using a wide range of cultural examples from stevenson s *dr jekyll and mr hyde* to brecht s *joan dark* and pierpont mauler through these readings bruno also elaborates an extended commentary on lacan s central idea of the division of the subject his focus is not only on showing how we can exit from capitalism but also and just as importantly on showing how we can make capitalism exit from us this book will be of great interest to scholars and readers of lacan and marx from across the fields of psychoanalysis philosophy and political economy and will also appeal to lacanian psychoanalysts in clinical practice

this book provides the first truly sustained commentary to appear in either french or english on
