god never intended for our prayers to be in vain prayer without tangible results but when i look at the life of many christians today it seems as if they pray in vain for their prayers amount to nothing i also believe the reason behind this reality is the lack of strategic prayers most christians don't know how to pray i know this might sound wrong because i often hear people say there is no wrong way of praying but if there weren't jesus disciples wouldn't have asked him to teach them how to pray the reason they asked him to teach them how to pray was that his prayers were never in vain because god always answered his prayers every time he prayed john 11:42 the tragedies in the life of many christians is that they pray for the sake of praying they fail to understand that prayer must bring results and the only way to make that happen is by praying strategically or knowing how to pray the bible is full of strategic prayers and one purpose of this book is to walk you through it so you can see results for prayers
