elora the early history of elora and vicinity provides little known details about the settlement and development of the elora area in southern ontario from the earliest settler in 1817 then as now people were drawn to the elora gorge and the rocky banks of the grand river the book is a compilation of material that appeared weekly in the elora express between 1906 and 1909 with some additional material from the 1920s connon traces the settlers as they arrive and reports on the development of the town as they acquired a grist mill a store a bridge and inevitably a railway rich with genealogical information this is an important historical document introduction by gerald noonan

excerpt from the early history of elora ontario and vicinity there is an element of romance about first things they have a charm of novelty and freshness as items of biographical interest they cannot be superseded for however important any similar later experience may be it can never be the first of that kind that place is permanently occupied there can be no second first for this cause if for no other a history of the first settlers in elora and vicinity may not be without interest about

the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at [forgottenbooks.com](http://forgottenbooks.com) this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

armed with an insatiable curiosity about the village he called home renowned local historian stephen thorning began researching and writing the history of elora in the late 1970s the unfinished manuscript found in his study after his untimely passing traces the development of elora as a planned community in the 1830s to its growth as an industrial centre in the 1920s in the book thorning examines the interconnectedness of politics industry government and economics in shaping the evolution of a small village with large aspirations in 24 chapters it reveals how world events optimism ingenuity and egos propelled and at times thwarted the development of the model village

vols 29 include the society s report 1931 32 except 1938 39 1939 40 which were issued separately

levelling the playing field life in the canadian countryside at the turn of the twentieth century is often generalized as insular backwards and arduous these assumptions are redressed in rebecca beausaert s pursuing play which highlights the complexity of small town culture through a lively examination of women s efforts to negotiate space for themselves and their leisure pursuits amply illustrated pursuing play draws on diaries letters newspapers and census records to investigate women s recreational activities in three southern ontario towns dresden tillsonburg and elora between 1870 1914 though women s recreational choices were restricted by pervasive ideas about propriety beausaert reveals how they increasingly spearheaded both formal and informal clubs events and social

gatherings and integrated them into their daily lives in telling the story of what small town women did for fun while navigating social hierarchies nurturing ties of kinship and friendship and advancing community development pursuing play adds a new dimension to canadian histories of gender leisure and popular culture encompassing public and private pastimes the growth of sports the phenomenon of armchair travelling and the ease with which recreation can slip from reputable to disreputable this rich study uncovers how gender class and ethnicity shaped the nature and scope of women s leisure in small town ontario and beyond book delisted
